The Indiana Chapter of the Gallaudet University Alumni Association has issued an invitation to the community to attend a special assembly to "share the Gallaudet spirit" on Thursday March 25th at 6:30 pm in Alumni Hall Library.

Mary Anne Pugia ('71), GUAA Executive Secretary, and Christopher Krentz, Assistant Director of Development, are special guests for the assembly. The pair will provide an update on the university and seek opinions and ideas concerning the relationship between alumni and Gallaudet.

In addition to the discussion, a new videotape about Gallaudet will be shown and refreshments will be served. Persons planning to attend are requested to notify Indiana Chapter President Ted Myhre ('68) (317) 251-3465 TTY.

Kovatch Recognized for Leadership

The Indiana Principal Leadership Academy presented a plaque to High School Supervising Teacher Robert Kovatch recently in recognition of the leadership he demonstrated while serving the Academy as a facilitator. Kovatch was one of eight facilitators who worked with four different classes of Indiana principals (30 - 50 in number) over the Academy's two year period training period.

Strategic Planning Retreat

ISD's Management and Consulting Teams will attend a retreat April 16th - 17th. Work will begin on development of strategic plan for ISD. The plan will serve as a "road map" for the school over the next five years and will include:

- A prioritized list of goals for the next 5 years
- Plans for initiating and achieving those goals
- Processes for evaluating the school's progress from year to year
- Tools for decision making that will help the school stay "on course" with our vision
- Strategies for communicating and for building consensus for the plan throughout the school

The teams will continue to meet on a regular basis thereafter as development of the plan proceeds. Former ISD staffer Ann Titus will serve as facilitator for the retreat and subsequent meetings. Reports of the meetings will be available through The CB and through Supervisors and Department Heads.

The ISD Campus Bulletin is published weekly throughout the school year.
